Dear families of St. Peter's School,

As you are aware St. Peter's was recently visited by Heather Simpson (HMI) on behalf of OFSTED, who carried out a day long inspection of our school.

I am delighted to report that OFSTED have published their report and St. Peter's has maintained its OFSTED rating as a GOOD school. This is a fantastic achievement in light of the significant challenges the school has faced since our last inspection in October 2010.

Firstly, I would like to offer huge congratulations to all of the wonderful children at St. Peter's who impressed the Inspector with their enthusiasm for learning and who continue to thrive and grow at St. Peter's School.

Congratulations are equally due to Miss McNamara and all the staff for their ongoing hard work in achieving this GOOD judgement. What the inspector saw during the inspection was not a 'one off' but is a snapshot of the exceptional work that is carried out every day in our school.

Finally, I would like to thank all the parents who commented so positively on their experience of school life and thank you to the Governors who were able to meet with the inspector during the course of her visit.

The inspector has made a number of recommendations on what we need to do to ensure the school achieves an outstanding rating in future and I know Miss McNamara and the school leadership team are committed to achieving this.

A copy of the Ofsted report is enclosed with this letter and it will be posted on both the school and Ofsted websites.

Kind regards,
