Monday 29th February 2016,

Dear Parents and Carers,

Parking in Augusta Place

It has been brought to the attention of the School and the Governing Body that some parents are still parking illegally on the 'zig zags' and on the double yellow lines. At the end of last week, this caused significant upset to a group of parents. In an effort to try and avoid future conflict by ensuring we practice and promote our Catholic Values and ethos, we would like to remind parents that under no circumstances must they park on the zig zags or the double yellow lines as this compromises the safety and wellbeing of our children, staff, families and members of the public.

If issues arise regarding parking violations, we would like parents to feel that they can report to the school office and trust that we will take the appropriate action. We will be writing to drivers who park illegally to remind them that it is advised that they park elsewhere and that the street is regularly patrolled by traffic enforcement officers. We also wish to remind all parents about ensuring that children are appropriately supervised as they enter and exit the school premises. Many cars are much bigger than our smallest children and the children can be difficult to see when they are walking through the car park or along the road.

It is our duty to model positive behaviour in front of our children at all times and as a school, we are happy to help deal with situations that may cause stress. If we all do our very best to stick to the rules of the road, we will eradicate this issue immediately and can all be assured that our children are as safe as we can control. I am certain that as a community, this is both achievable and also what we would all agree is a high priority.

Yours sincerely,

Miss T McNamara
Headteacher

Michael O'Riley,
Chair of Governing Body
