Tuesday 5<sup>th</sup> July 2016,

Dear Parents and Carers,

You may or may not be aware that today, schools across the country received the results for the End of Key Stage 2 tests (The SATs that the children sat in May!).

I am writing to let you know that we will be reporting the results to you in your child's end of year report which will be sent home on Friday 15<sup>th</sup> July. We have a specific reason for waiting to share this information with you and hope that you will trust us to send results when we deem it appropriate.

We are immensely proud of what our children have achieved this year. In fact, I think every single parent will be quite shocked when you find out quite how well they have all done! I always had high hopes for our lovely Year 6's but they have all managed to exceed our expectations quite remarkably. Of course, none of this could have been made possible without the hard work and dedication of Mr Rooney and his wonderful assistant Mrs. Wijeratne. We are truly blessed.

Finally, I would like to thank you, our wonderful parents. I'm sure that there have been times when getting homework done has been a challenge or finding time to do reading, spellings and tables practice has caused stress, but you must all remember that these efforts have resulted in every one of our children ending their primary education ready for the next steps in their learning journey. You have done a great job! Without exception, every one of you will be delighted with your child's results.

Best wishes,
