Thursday 1st December 2016

Dear St. Peter's Families,

It has been a really chilly week in Leamington this week! I am so grateful for our wonderful new boilers that have kept us all cosy and warm in recent days. The cold snap has been a timely reminder that we must prepare for more chilly weather in coming weeks (and months!).

Firstly, I would like to thank parents for sending their children into school well wrapped up. I know that some children can be very resistant to wearing a coat but it is really important that they bring one to school so that they keep warm at play times. Coats, hats, scarves and gloves need to be named so that we can reunite them with their owner when things get into a muddle!

Secondly, I would like to urge all parents to sign up to the Local Authority's School Closure Alert System. In the event of heavy snow, it may not be feasible to open the school, primarily because it is not safe for staff to travel into Leamington. If this is the case, school will be closed and the Local Authority will be notified immediately. Upon notification, the Local Authority will send a text message to anyone who has signed up to this service so that the messages can be circulated amongst parents as quickly as possible.

To sign up, visit <https://www.warwickshire.gov.uk/schoolclosures> or simply text the following message to 07950081082:

schclosures 9373542 on

You will receive a confirmation message within 12 hours. If you don't receive this, please try again, making sure you use the right telephone number and text in your message. We also continue to use Twitter to alert parents to key events in school; please add @stpetersleam.

We hope that this Winter will run as smoothly as it always has done and that school will stay open throughout the year, however if we are well prepared, it will make sudden closures run more smoothly.

Best wishes,

Miss T. McNamara
