Dear parents,

Last weekend, the Year 6's took over writing the newsletter; I'm sure you'll agree that they did a marvellous job! In fact, they included so much wonderful writing that the Diary Dates got bumped off for a week! Please find upcoming events listed below:

Friday 16 th June	None School Uniform in exchange for bottles containing an alcohol drink for Summer Fayre Class 3 to Lillington for the Day of the African Child 9.30am PTFA meeting at school Class 2 to the Glasshouse at Jephson Gardens
Tuesday 20 th June	District Sports (3.30-6.30pm)
Thursday 22 nd June	None School Uniform in exchange for chocolates for Summer Fayre School Disco (6-7.30pm)
Friday 23 rd June	SCHOOL CLOSED FOR INSET DAY

On a totally different subject, I'd like to let you know about a project that I have been trying to complete (well, start!) since joining St. Peter's! I have decided that over the Summer Holidays, we will be converting a small and unused space in school into a chapel. Currently, my plans are in their early stages, but one thing that I am certain about, is a need for a beautiful stained glass window. I have decided to run a competition for the children to design a stained glass window and the winner will have their design enlarged and reproduced so that it can be installed over the Summer, ready for September.

I have attached a template to this letter so that the children can get designing! The window needs to achieve the following:

- I love looking at light shining through stained glass windows in church; the beams of light become colourful and I believe that seeing this is God's presence right in front of my eyes. I would like our new window to do the same; to inspire prayer when the sun shines through it (and hopefully also when it doesn't!)
- It must be multi-coloured
- Include our St. Peter's identity in some way
- Contain a Biblical reference, perhaps parts of your favourite Bible Story.

The deadline for applications will be Friday 7th July and the window will be unveiled in September (hopefully!)

Best wishes,

Miss T. McNamara

Draw your design in the blue box and on top of the faint lines. These show where the window frames are in case you want to use them in your design or do 12 smaller pictures.
