

Mad Science of West Midlands
01926 429875

Email: enquiries@madsciencewm.co.uk. Please give your completed registration form with cheque or cash

to the school office by:

Friday 24th March 2017

School: St Peter's Catholic Primary School

After School Programme Time: Wednesday 3:30pm – 4:30pm

Dates: 29/03/17 to 17/05/17

6 week programme

£45.00

**Please pay cash or make cheques payable to Mad Science.*

****NOTE: 25 children (max) per class & 15 (minimum) to run a class.**

Due to the nature of the after school club, all students will be expected to behave in an appropriate manner and adhere to the rules of Mad Science. Any child who consistently does not behave, will have to leave the after school club and will not be entitled to a refund.

Please Note: No Money will be banked until the first day of the club

Lab Works

Use your hands as a real Mad Scientist in this whirlwind class on how a lab works! Learn to manipulate laboratory equipment at your personal lab bench, and take home your very own Graduated Gear to continue your research!

Junior Reactors

Create a tiny world of atoms with your very own set of Atomic Coins! Learn to recognize chemical reactions and mix up a few reactive ingredients for some sensational results!

pH Phactor

Slide down the colorful pH scale and dip into the world of acids and bases! Explore the pH extremes with your Reaction Tube in what is sure-to-be a popping experience! Discover whether liquids found in your home are acids or bases using your personal pH Paper!

Slime Time

Ooze into a gooey hour of sliming around! Create slime using the Mad Science recipe, and then enter the Slime Olympics! Take home your own concoction of Mad Science Slime!

Chem in a Flash

Hop on board the chemistry express for a high-speed science experience! Perform instantaneous experiments in this fast-paced class on split-second reactions that go like mad! Pick up an Action Flask and have a blast !

The Glow Show

Discover amazing things that glow bright in the dark and come to light! Probe the properties of light and explore some unusual applications of glow-in-the-dark technology! Use your Blacklight Writer to make secret messages that only you can see!

Super Sticky Stuff

Stick it to the walls, and push the power of tape to the limits in this adhesive hour on things that cling! Build a bond with glue and get attached to Professor Beakerdude!

Dry Ice Capades

Manipulate matter in all of its three states! Melt metal in boiling water and freeze water with just a breath of dry ice! Use your Thermocolor Cup to test the temperature of liquid matter in your home!

Starting at just **£165!**

Party includes **GOOEY SLIME** Making plus loads of Mad Experiments!

Call now for more info!
