Monday 13th March 2017,

Dear St. Peter's Families,

I am sure that by now, you will have heard that it has been proposed that our local Catholic High School, Trinity, close their sixth form provision in an effort to respond to serious funding cuts being faced by the school (something that is being faced by all schools nationally, including St. Peter's).

All local Catholic Primary Schools have been contacted by a Trinity parent who is leading the campaign to save the Sixth Form, to give you the following information about how you can make your opinions known during the formal consultation period; a request that has been proactively supported by Chris Gabbett, the Principal at Trinity School.

- The email address for any comments, objections, suggestions is as below, it is essential we register these formally. trinityconsultation@welearn365.com.
- There is a petition available to sign if so inclined, please follow this link https://www.change.org/p/trinity-catholic-school-urgent-petition-to-suspend-the-closure-of-trinity-s-sixth-form-by-1-year?source_location=minibar
- Finally, would they please complete the attached survey. The purpose of this survey is to illustrate clearly to the consultation committee the real impact the closure, even if only temporary as per the initial proposal, would have. It will not just impact the current Trinity students but potentially any potential YR 7 intake in the coming years. <https://www.surveymonkey.co.uk/r/V9YZ9BN>

Please take time to visit these sites and read their content carefully before the deadline this Wednesday. If you are so inclined to respond, please do so via the means suggested in the above links.

Best wishes,

Miss T. McNamara
Headteacher

Trinity School Sixth Form
